# ADVERTISEMENT INFORMATION

## **Beef for Sale Listing:**

Farm websites are expensive! Let NEHCA promote your beef business on our website. NEHCA beef producers are featured on our 'Beef for Sale' page, a complementary online marketing tool included in your Annual NEHCA Membership. We list all beef-producing farms by state.

If you wish to join, please use the space below to provide details for your farm's 'Beef for Sale' listing. The more information you provide, the easier it is for consumers to buy your beef! Listings should include: Where and when can customers find you? (*Examples: farmers market, storefront locations, restaurants, days/time*). How do you sell your beef? (*Examples: individual cut, halves, whole*). How can customers contact you? Tell us about your farm/story!
